This Beauford Mk III convertible wedding car was professionally built in 1992 to an exceptionally high standard by a main dealer using a 1982 donor car. During the build it was fitted with many new parts including the alternator, starter motor, Weber carb, radiator, fuel tank and coil. I believe that the Mk III is still a current model. It is distinguishable by the rolled edge effect to the wings and costs well in excess of £30000 to buy new. Bodywork finished in Cream & Burgundy with a convertible black hood and side screens. Recently re-upholstered in burgundy with cream trim and new carpet. The rear side front seat is fitted with a double slider system for easy access to the rear. 12 months MOT until September 2016, with all the previous mot's available. It will be sold with a new MOT if required. The car is in very nice condition with a few used related marks and has been kept in a dry, warm, well ventilated garage. It is fitted with a 2.0 litre Ford engine with a manual gearbox, I have extended the gear stick for ease of use and to make it look more authentic unlike many Beaufords that I have seen with automatic transmission levers. It has been a very reliable car over the last 23 years of ownership, very easy to maintain (no ECUs, sensors, complicated electronics nor expensive components) and economical to run with low insurance costs. A great investment and all ready for the wedding season.

The car achieves £150 (weekdays) to £300 (weekends) on wedding hire and has a realistic potential of £1500 on the open market. I am selling this car as I am retiring. Any enquiries invited and encouraged. Please contact me on 01495 715151 or email me on info@freeadsz.co.uk. I should add that I have owned the car from new.

The private number plates will remain with the car and are included in the sale. It had a re-conditioned engine fitted about 7,000 miles ago, new clutch about 1,000 miles ago and a new battery last year. I also have a number of new spares that are included, i.e. rear silencer, air filters etc. Cleared personal cheque, cash or direct payment only! Car located in CF44 South Wales.
