We have 3 beautiful pug girls for sale. Mum is our fawn girl and can be seen with the puppies and I have to say she has been an amazing Mummy! Pups will be ready for their new forever home from 12th July. They are being raised in my home and are being given the best start in life possible. These beautiful girls already have little characters and are used to everyday noises, including boisterous children, they are part of our family and absolutely no expense has been spared on treating them! Puppies will be vet checked and micro chipped, with all vaccinations, flea and worming treatments up to date. Mother and puppies are available for viewing. £200 non refundable deposit will secure your chosen.
