Diamond Home Support is a professional domestic cleaning and home support business. All of our workers are vetted and insured by us personally to ensure only the best service is delivered to our customers. In the main, if you choose us, you will have the same worker every week or every fortnight. That way they guickly understand your requirements and can offer a regular service made to meet your personal needs. We will also endeavour to provide an uninterrupted service even if your normal worker is sick or on holiday. Should you ever be unhappy with a worker we provide we will replace them without.
