We are developing a new standard for removal companies in Brighton. The Gold Bear standard. We have a fresh and unique process that guarantees your happiness. It involves a simple rating system that puts you in control. You have a week to fill out a brief online questionnaire about your removals team and your experience.

20% of the teams wages are held until you have sent your word of your satisfaction. If something was not carried out properly your team will come back and remedy this. That is how we guarantee your satisfaction.

It's as simple as.
