Router Joinery & Techniques with Glen D Huey Push Your Skills to the Next Level! THE ROUTER is one of the most popular woodworking power tools, and for good reason. Pair it up with the right bits and jigs and you can do everything from cut precise dovetails and rule joints to make artistic edge details and more. In this video, master woodworker Glen D. Huey will show you the expert router techniques he uses to make fine furniture in his custom cabinet shop. You'll learn: How to make quick, precise and beautiful joinery How to inlay wood both to add decoration and to hide defects How to cut a clever double-rabbit that makes picture-frame construction a breeze Glen also demonstrates easy-to-make jigs and fixtures that will improve the accuracy and detail in your work. If you want to master all the inventive ways to use your router, this DVD is for you. Glen D. Huey is the author of 'Fine Furniture for a Lifetime', 'Building Fine Furniture' and 'Illustrated Guide to Building Period Furniture'. He is the host and talent on 'The Woodworker's Edge' series of woodworking videos and a contributing editor to Popular Woodworking.
