Location **London, London**

This 2 seater, very comfortable sofa is 69 inches across and 42 inches deep. Its made of a grey fabric material and is extremely comfortable. It is only 6 months old and in mint condition.

The same sofa is currently on Harvey's website for £1,100. Unfortunately I'm having to sell it because it won't fit in my new place.

Any enquiries are welcome, but it is only available for
