High sleeper bed frame. Useful desk with shelves at back. Selling without mattress. A cube is included. This is not Stompa brand, but does fit well with the rest of the unit. It has pink doors. Also a Stompa chair is included which converts to guest bed (see photos). This is also pink. There is slight break in attaching wood for chair bed which we have glued. It does not affect its use in any way. The bed has the usual knocks with use, but is in very good condition with no stains on the white frame. See photos for details. Selling due to house move, as low ceilings mean bed no longer fits. My daughter loved this bed and we are buying her another lower Stompa to replace it. They are great beds.

We also have another listing for second Stompa (from her brother's room). We are moving on the 28th of July, so collection must be made before that date. Collection from Bexhill. Cash on collection. We will help you dismantle and have instructions as well. Height is 175.5 cm, width is 98, length is 207. Call 07905810570 079058105...(click to reveal full phone number) or e.
