High sleeper bed frame. Useful desk with shelves at side. Selling without mattress. Also a Stompa chair is included which converts to guest bed (see photos). This is red. The bed has the usual knocks with use, but is in very good condition with no stains on the white frame. See photos for details. Selling due to house move, as low ceilings mean bed no longer fits. My son loved this bed and we are buying him another lower Stompa to replace it. They are great beds.

We also have another listing for second Stompa (from his sister's room). We are moving on the 28th of July, so collection must be made before that date. Collection from Bexhill, East Sussex. Cash on collection. We will help you dismantle and have instructions as well. Height is 175 cm, width is 98, length is 206. call 07905810570 079058105...(click to reveal full phone number) or e.
