Hiho!

I have for sale an amazing Honda Civic VI. It is a great car for a newbie and for some who likes comfort of driving. , The car is in good condition. The engine works perfectly. As every Honda, it has some rust on the wheel house shell on the back, but it is not big. It is a perfect car for "home-work-home" routes, and it was used that way. , What is more it has 4 electric windows, working AC, AirBags, Electric side mirrors and power steering.

MOT till 22 September 2016. ,

The price is negotiable!
