ford transit 2000 lwb high top .hi for sale is my jumbo transit van, its mot has just ran out on 24th June and as we no longer need a van it has been sitting on drive for couple months. its has a private plate which is included in the sale and this has been valued at £450 with dvla (please feel free to check). i am selling as running and spare or repair, its a shame to spare it at probably wont need much for new mot and has tow bar fitted with crew windows also fitted , the drivers door wont unlock and back doors open from inside but that could be a loose wire in central locking or even simpler but not sure . it also had a brand new alternator costing £150 4 months ago , CD player in and lino flooring and internal lighting and rear roof spot light. the three rear seats are not included and sold as 3 seat van.
 I am open to offers , viewing welcome any questions call or text 07531236636 075312366...(click to reveal full phone number) .
