Here we have an excellent example of the Triumph Tiger 1050. Adjustable heated grips are fitted on this bike for the cold days. Fitted with hand guards, these really are a blessing on cold days. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. Also fitted with a centre stand to make washing and maintenance a whole lot easier. The bike has been fitted with braided brake hoses, this means there is no room for expansion as you get with rubber hoses giving much better braking efficiency. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike has also been fitted with a performance exhaust, this allows a little more of a growl upon acceleration, and also allows the throttle to be a lot more responsive. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
