Here we have an excellent example of the Yamaha YZF-R125. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. Top spec engine protectors have been fitted just in case the worst should happen. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
