Absolutely stunning condition! A really well cared for bike, this is not your typical example. 2006 but it looks a hell of a lot newer. Garaged when not in use and never thrashed, no stone chips or anything that lets it down! Not only that but a genuine one owner bike that has been kept in standard form as Honda intended with no nasty modifications! Wanting for nothing except another owner who is going to take care of it like the previous one.
