Chinese Oriental Red Laquored Dragon Ornament. Lovely piece. Picture does not do it justice. The Chinese dragon is the symbol of protection and success. It is regarded as the Supreme Being among all creatures, temples and shrines have been built to honour Chinese dragons. The dragon is traditionally associated with East direction and it is believed that placing an image of a dragon on the East side of your home or office will protect you from negative energy and will bring great fortune. Excellent New Condition. from a Pet & Smoke Free Home Can deliver if.
