Annoying spills will no longer be a problem with the Genie Express Wet & Dry Handheld. It's not only fantastic on dry spills like crumbs but amazing for cleaning up liquid spills too. It's got plenty of suction and is light enough to grab from the cupboard whenever you need it. The easy click adjustable handle makes it more comfortable to use, and the attachable crevice tool makes light work of whisking away dust from corners and skirting boards. **POWERFUL** 7.2 watts. **LARGE CAPACITY** 0.5l dry, 0.2l wet **LIGHTWEIGHT** Only 1kg makes cleaning and carrying quick and
