Well known on the Mini scene, this multi concours winning, magazine featured van has over 3000 man hours invested, and in excess of £50,000 spent, creating what must be one of the very best examples available. The specification details are immense and are available upon request. Highlights include, seam sealed, strengthened body shell with MK I front panel finished with 10 coats of Chartreuse green. MG Metro 1300cc turbo engine running 11psi boost turning out 117bhp at 6000 rpm and an interior finished in stone beige Connolly leather. A documented build history along with magazine articles and trophies complete the package. Comes with a file that details rebuild history, many invoices, spare keys, copy of old style V5 and MoT's from 1981 to 1997 and from 2009 onwards. Three owners from new with the last registered keeper since
