This car is undoubtedly a cult appreciating classic. Candy White with a blue mohair roof, best combo comes with Navy I think - original BBS 15" spoke alloys. The interior is in very good condition with a rare rear headrest set-up. There are in its life time of 28yrs, some rust in places, but nothing that needs any structural repair or welding. There are a few dents around again, nothing that a simple dent repair job can't deal with. The front driver's seat does not fold forward it has never bothered me. A spring might have gone somewhere. ;
