Beautiful black and white kitten for sale, I brought him for my daughter but soon learnt that she is allergic to him, very sad to have to find him a new home, very loved and would love him to go to a new loving forever home. Would be asking for a small price in attempt to ensure this. He is 8 weeks old and brilliant with children, playful and loves cuddles. He has been wormed and flead and will come with his toys, bed and some food and bowls etc very sad to see him go..;
