(reduced from £8950) 2006 T5, T32 Transporter, factory kombi. Showing expected small signs of age, but over all a lovely looking van. MOT until July 2017 Fully serviced in January. Part service history New set of tyres, new sliding door window, new gear selector cable, new chrome handle covers, new central locking module (needs coding to key fob for remote locking/unlocking. Quoted £50-£55 by auto locksmith and dealers. But central locking still works with key in door lock). 5 seats. Rear seats lock and clip for removal. Would make a great conversion, or surf van. Has been used as family vehicle. Previously owned by a local sign writer. From non smoking home. Selling due to no other reason than money and downsizing to one family car. A very hard decision to make. I will be sorry to see it go. £8800 or near offer. ;
