I just might regret doing this but I am selling my beautiful 40mm Ceramic Bezel Rolex Submariner Chronometer. In my mind this is the most attractive Rolex Submariner. If, like me, you can't be bothered adjusting the date and you think that ugly bubble on the glass spoils the look of the watch then this is the Rolex for you. Oyster lock safety clasp with Rolex Glidelock Extension System. Purchased new 16/8/12 complete with box, tags and full set of papers. Watch was a gift but I have not worn it much as I had a Rolex already which I wear daily. Purchased from, and maintained by, Brufords in Eastbourne who will gladly authenticate the piece. Retails at least &#pound
