due to a time waster asking me to hang onto this for a week then not turning up, i have re advertised it. the light takes a long while to come on, and some of the channels cut out when in use, nothing has been spilt over it as it is from a clean smoke free home. it can be fixed but i am not bothering as i have three other cube streets, so will let this one go to any one who can fix it. bought last year in April for £229 so outside guarantee call 01323 733517 01323 7335...(click to reveal full phone)
