This V-fit BK11-RC Recumbent Magnetic Exercise Cycle is a fully functional indoor cycle with a stylish silver-grey and black finish. With the BK11-RC Cycle, you can peddle your way to fitness, and achieve your exercise goals in the comfort and safety of you own home. The BK11-RC Cycle has a robust tubular steel frame with a chip resistant finish to give you years of service. Contoured padded handlebars and a reach adjustable, deep padded seat gives you a comfortable ride. Features 8 levels of adjustable magnetic resistance for a quieter and smoother ride. With a reach adjustable deep padded seat and backrest and self presenting pedals with adjustable toe straps, you can alter the cycle to suit your shape

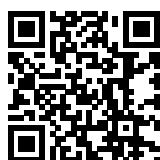

and size perfectly. Track your progress while you exercise with the BK11-RC Cycle's 7-function LCD digital display monitor that shows heart rate, theoretical calorie burn, distance, time, pulse rate, odometer, speed and the function of the cycle. The BK11-RC Cycle supports a maximum user weight of 110kg/242lbs and comes with everything necessary to get you started self-aided.
