Amazingly beautiful, these HPR dogs are of French origin and useful as working dogs or family pets. They are a dream to watch out in the fields, and the females can be likened to a dressage horse, they move with such finesse. At home they are as tactile as cats. A truly special breed. Coats are either black and white, or charbonne. This litter is the first of Helka Akibon, an import from the Czech Republic. The father is dark charbonne, Khyannes Instinct de Chasse (Hugo). There are 4 boys and 5 girls of the rare charbonne colouring. Both parents have been hip-scored. Puppies will be vet-checked, wormed, micro-chipped and come with free insurance. Ready to leave from the 8th August and I am happy to honour.
