Hi. This car has been owned and used by my wife for the last seven years. It has been a very reliable and economical little car for us in all that time. It easily does over 50mpg in everyday driving and the mechanicals are all very good. It has a couple of small dents/marks etc and a little rattle or two on bumpy roads as cars of this age do but it always starts first time and is light and easy to drive. It is Mot'd until the 30th of October. It is priced honestly and cheaply for a quick sale as she now has the Mini she's always wanted and we haven't got room for 3 cars! Please ring if you want to view and have a test drive etc. Thanks for your.
