this stunning little doe is a blue-eyed dutch split, sooty fawn in colour and a real sweetie. her sibling is a blue-eyed white which i think is a doe but not 100% yet. Both are £65 each or £110 for the pair. They come with the Harstonelops package of food, play tunnel, wormed and mite treated. These are bred from happy bouncing bunnies that have the run of the garden and are not cage bound as i am with them all day. i have experience of over 25 years and givec ontinued advice if.
