

Topop- Audi Logo Stainless Steel Thermal Travel Mug Cup (19.99 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-391405-z>

Genuine Audi Logo Thermal Travel Mug Cup

This travel size vacuum mug is made from stainless steel Interior for maximum heat retention

Perfect for coffee or tea on the go! (Easy to clean)

We've found that the travel mug can keep your drink hot for up to 1 hour*, we tested them by filling them with hot water, just off the boil, and then measured the temperature, after half an hour the temperature was 75°C, and after 1 hour the temperature was still a perfectly drinkable 62°C. (*tested at room temperature of 20°C)

Capacity: 450ml Height: 160mm

Ratating Open Drinking

Please note that the travel mug is designed to be kept in an upright position to avoid leakage

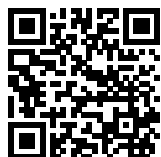

Great for travel, camping home or office use

The mug is sent in a box so they arrive to you safely &
