My name is Tina and this is my company Juuti Interiors.

I have around 20 years of experience making curtains, blinds and upcycling all sorts of furniture. I can transform your tired pieces into something brand new or create beautiful window treatments that suit you and your house.

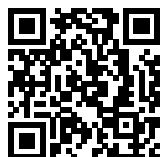

I am available to design pieces for you or make your designs come to life. If you have furniture that could do with some tlc or some material you want turning into something wonderful then give me a call.

I am happy to meet you for a free consultation. Call Tina on 07851 669222 07851 6692...(click to reveal full phone)
