VW Lupo 1.0 (X Reg), Soft Blue, Mileage 125K, MOT until 9th Sept.
 It is a tidy little car and drives well. however the steering rack needs replacing. Silverlake have them for about £40 but just don't have the time to fix it. Good stuff :
 4 new tyres, Radiator replaced 2013, Cambelt changed was at 70K and then again at 90K.
 Oil and Filters changed at 123256K
 Service history in service book up to October 2011
 O/S/F Wheel bearing replaced Feb 2016
 Good clean interior for its age. Bad stuff: Steering rack needs replacing, Has a scratch across drivers side, scuffed alloys,
