Hello, I am an experienced sales manager, with a background focusing on strategic sales [B2B and B2C], marketing and business development plans with luxury brands across UK and European markets. Having decided to move away from working in London, I am getting some feelers out for offering ad hoc support/consultancy to local businesses on driving their sales and marketing campaigns. If you are a local business who would be interested in having a chat, it would be great to hear from you, Best wishes,
Laura
