

Fridge and Freezer (60 GBP)

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-391683-z>

Fridge and Freezer (2 separate) both Hotpoint. Integratable machines both less than 2 years old. Working perfectly - they are only being replaced because I have a new fitted kitchen with appliances included. The only damage is to an inside door of the freezer which has broken off. This doesn't affect the performance. It would be possible to fix a covering to the front if you don't need it to be integratable. The price is for BOTH.
