This is a great caravan for a very good price for its size. It is a 6 berth caravan with a very good area inside for a top and bottom bunk of work. It has a very good heater. Can be used with water or gas. Electric boiler inside. Also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow as heating as well which is fitted all the way through the caravan which gets the heat all through the van in a small space of time.

The washroom is at the rear end of the van to the side, there is a swivel toilet, sink and also a shower. This is a single axle caravan, easy to tow, tyres are good too. Has all the paperwork and the manual to help you get started.
