Hi would like a long term private rental, before Christmas, working couple in their 40s, would like a bungalow, house or park home (not a caravan) Want a honest landlord as currently live next door to ours and they have been great, no silly rents just an honest one....Don't mind doing our own decorating will be very well looked after as I'm abit of a clean freak. We do have to give a months notice so please if you have anything coming up please let me know,;
