- Are you tired of receiving no response from job applications?
- Do you struggle to prepare for that job interview when you finally receive one? - Does your mind go blank during that interview? Help is here! I have 7 years' recruitment experience working for a combination of boutique and international agencies covering blue & white collar sectors of all levels. I pride myself in professional and transparent advice to guide you in the right direction. This is a 2 hour (one to one) consultation for me to: 1. Establish key experience/skills you have in order to write a detailed and relevant CV
- 2. Cover general interview tips & etiquette to help boost your confidence. For a free no obligation conversation then get in touch!
