This is my lovely Motorhome 68000 miles, the sale is because my wife cannot climb into it any more, it has all the paperwork and mot's also all the books relating to it.

Elizabeth has a dreadful medical condition otherwise my Motorhome would not be up for sale.

Bless her she said don't sell it, but getting her in and out of it causes her untold pain.

For this reason i have no choice.

All its services and receipts are in the Motorhome folder.

Since puting it on the front of my bungalow for sale I have had offers the best one is for £15000. but I would like a little more so as to cut down my losses on it.

If you are a genuine buyer and would like to come to my home and take a look at it you would be welcome.

Over the cab you will see the drop-down section showing a double bed matterss, we only used it for extra storage.

It has every possible extra, two full gas bottles, extra mains cables, caravan sites signs for telling others this pitch is occupied, and many other items like the Silver screens for the outside of the motorhome.

Bob and.
