

## Pro Racing Bike Vitus Futural 787 (550 GBP)

Location **North, South Wirral**  
<https://www.freeadsz.co.uk/x-392143-z>

## Vitus Futural 787 : vintage collection bicycle

Amazing bike form the late '80 in an incredible condition, barely see any marks of use.

It's a competition bicycle with the original hi-level configuration.

The bicycle was completely reviewed by a professional, everything works perfectly.

Configuration:

Frame: aluminium vitus futural 787, size 54

Wheels: mavic open (made in france) with new Michelin orium tiers (red & black)

STI (shimano total integration) shifters shimano 105 – It combines the braking and gear shifting controls into the same component.

Automatic pedals look carbon (red & black)

Groupset: shimano 600 ultegra, shimano 105
