Circular Iron Table. 39" Diameter. Cream Colour. Lattice Detailed Table Top. The Table top is rusty and hence does need a good lick of paint. The Circular Top is bolted on by four bolts to the table legs. The legs are in good condition and attractive. They fold into each other when dismantled. The legs measure 35" high. A clever person may want to use the legs and apply a different table top to them. Lots of ideas or just re-paint the Table top. A beautiful table when painted. The table at present time is dismantled and will be bolted back together when viewed. Very Heavy.
