With its innovative door design, the Vauxhall Meriva provides practical and versatile useage for the growing family. The Vauxhall Meriva dares to be a little bit different to other small MPVs in its class, and does that with some success. Its main USPs are its unusual rear-hinged back doors, which make it ever so practical with easier access to the interior backed up with a strong build quality and comfortable space for up to five people. This fantastic small MPV comes equipped with Vauxhalls 1.4 Petrol engine, which returns an impressive 42.2 Miles Per Gallon on a run which is not bad for a small MPV. Please do give us a call if this is something you're in the market for as believe me this truly is a lovely example. Remember that at acar2go You....."Pay Less and Get More".
