I Have 1 Ragdoll Kitten Out Of Litter. There's just 1 boy now available. He's now 10 weeks old. Good age to leave for his new home. The price is £370. He is just too cute, gorgeous blue eyes. Well socialised so used to all household noise. Used to being handled everyday. He has been flead with tablets and wormed with panacur worming paste covering him for the next 4 weeks. Has been weaned onto solid food and water. He will need vaccinations which is up to the buyer to arrange them. Mum is a tabby seal point and dad is a chocolate colourpoint. Both can be seen, both our family I would like to know where he will be going. Possibly able to deliver or you're welcome to come and view them. Thank you
