Charming vintage expanding over bath storage rack in thick heavy chrome with off white ribbed non slip sleeved rests either end to protect the bath. Good quality item and in very good condition for its age, thought to be from the 50's/60's, I remember my nan having one of these when I was little! It can adjust from 67 cms to 80 cms in length, (and is 19 cms/7.5"") wide to accommodate different sized baths and has plenty of room for soap, sponges and other bathing necessities while looking stylish to!
