

-- Subject of sale ---

Fantastic keyboard - Yamaha Tyros for sale, with stunning sound - probably best "bang for a buck" nowadays. No faults at all, whole keyboard works as supposed 100% (service tested). WHITE (not yellowish) KEYS !

REASONABLE OFFERS WELCOME

Refurbishment included:

- * hard drive fitting - now thousands of songs, styles and registrations can be stored,
- * brand new USB drive for USB pendrives has been fitted instead of obsolete floppy disk drive (see picture),
- * un-dusting: keyboard has been disassembled, so all speakers and keys has been cleaned separately to get fresh touch and crisp sound,
- * upper casing has been completely washed, so it's refreshed,
- * keypad has been cleaned off the dust and other dirt, contact has been cleaned as well as key rubbers to extend key pressing lifespan,
- * firmware has been upgraded to latest one 1.40 to ensure your keyboard will work flawlessly.

Every engineer (working) from top management boards. The R-200
 is being sold for \$50 pounds, much more expensive than most

 :: megavoices :: 3 voices per right hand :: aftertouch :: built-in HDD :: big, colour LCD 640x480 :: screen

time: 3 pedal input
