Do you by any chance have one of these tucked away in a drawer somewhere, and not being used, or it has stopped and you have not bothered to do anything with it? It will hopefully be a 1980s vintage watch. Well I would love to get one of these back again. If it has an original Rolex box and papers, maybe more will be paid. It just depends on the current condition of the item. This is a genuine private buyer request, and I would be delighted to hear from you if you do have one that you want to sell - so please telephone in complete confidence. Thank you for viewing.
