I have owned this car since it was new. It has a couple of rust spots and a scratch on the bumper. But generally the body work is good. Its last service was in the middle of June this year. The MOT is till middle of June 2017.

The seats have had covers on since new , so the originals look like new. The car has been serviced every year.

The windows front and back are electric, as are the mirrors.

There are 7 seats. Rear wash wipe. ;
