As an independent telephone engineer I can help you with your telecommunication and internet problems. The services I provide cover from the domestic home owner to the small commercial business. I can help with loss or no connection of your telephone line, fault finding, poor internet connections including drop outs and poor Wi-Fi, additional wiring and points, extending Wi-Fi coverage and computer wiring, Cat5 & Cat6 cable installation. The general area covered includes Worthing to Hastings along the coast up to Tunbridge Wells across to East Grinstead, Crawley & Horsham including the towns and villages within or near.
