We are very proud to offer this stunning pre loved 2 bedroom Willerby Evolution sited on what could be considered the best plot on a privately owned relaxed park. With views of Snowdon from your balcony, there couldn't be a better place to relax and enjoy the peace and quiet. This is an adult only park, although grandchildren are always welcome to visit and it's dog friendly too. With its modern design, this holiday home boasts an innovative 'Cathedral' vaulted roof rising majestically above the fully equipped modern kitchen and dedicated dining area. Spectacular tall feature windows to both external elevations maximise the available natural light and contribute to the overall feeling of space. The lounge incorporates generous seating, feature fireplace and plentiful storage within contemporary display and storage cabinets. The lounge benefits from an abundance of windows that allow natural light to flow throughout the entire holiday home. The current owner has done all the decorating for you, so this stunning home is ready to move in to, damp and mould free. With site fees covered till January 2017 and all transfer costs covered in the price, this is a fabulous opportunity. All you would have to worry about to begin with would be your gas and electricity. The park itself is open for 12 months of the year so you really can holiday all season
