Insurance Group 24, Beautiful Peugeot 206 convertible. This is a great little car. we've had it for just over 2 years now and it has never let us down. New tyres, brakes and the bargain of the year! This car comes with most service history, full leather, CD player, radio, alloys and it's got to be the most reliable car on the market for this price! Mileage is high but the car has always been well looked after and it's not a lot in a diesel car. There are of course a few marks and scratches as you'd expect with a 10 year old car but remains in very good condition. MOT Nov 16, last test advisory was tyres (renewed) and exhaust hangers corroded (replaced) The car drives great starts first time and is cheap to run using diesel. All in all a great little bargain to enjoy this summer. Call Billy on 07863 019328 07863 0193...(click to reveal full phone)
