Jackson Industries Limited offer comprehensive IT support for any issues you may be experiencing from Ipads/iphones to laptop home PC's. With 8 years experience in the IT field I have a good track record of assisting and resolving clients issues. So please get in touch even if it is just for some tech advise. I provide support for all your regular devices:- -ipads/iphones/android.
-Laptops/Home PC's.

As well as any software issues you may be experiencing:-

- Windows 7/8/10.
- IOS.
- Virus/spyware.

I can also advise on anything related to the IT world from speed performance issues through to upgrade questions for your devices. Support can be done remotely or in person depending on which you prefer.

I have more than 8 years experience working for a large Bank in central London providing IT support for wide range of products and devices. This has allowed me to gain an in depth experience of the IT world and the ability to deal with and resolve a wide range of customer.
