Sit in Touring kayak Single canoe sea or river. Fiberglass. Wessex Canoes 1970's. We think it is the Sea Rapier model going on its length. Length 16 foot 4 inches Height 10 inches Width 25 inches Cockpit - 39 inches length, 16 inches width Paddle - 7 foot long inc blades Weight 4st/27 kg approx Canoe professionally made in 70's/80's Wessex Canoes - J.L.G MACH + Co Ashford Works Fordingbridge Hants Removable seat as in photo. Paddle will also be included. Condition, fair for year. Has had a few minor repairs. (We have not re-painted it so you can see its exact condition. It used to get a new coat of gloss every year but has not been used for some while and has sat outside in the garden.) NB There 'may' be a very tiny leak around the front of the spray deck, but it was a long time ago it was last used and we cannot be sure. It is just what my father remembers. PHOTOS are of actual item for sale. NB The terms Canoe and Kayak are inter-changeable in UK. Price ovno;
