

# Faux Leather Double Bed amp Mattress (120 GBP)

Location **East of England, Cambridgeshire**  
<https://www.freeadsz.co.uk/x-394144-z>

This is a Faux Leather Double Bed, that is approx 18 months old.  
 It has sprung slats, all of which are in perfect condition, no damage or cracks.  
 Also comes with a Sealy Posturepedic BackcareFirm Mattress, which is the same age as the bed and has no marks, damage or stains.  
 The bed is in very good condition and only really used as a spare. This is being replaced due to a change in circumstances.  
 There are very few signs of wear and tear, the only fault with this is the foot on the right at the base of the bed as you look at it, which works perfectly well when in place, but could do with being glued in as the thread on the screw is worn, photo attached.

Also included is a Double duvet cover and pillow case set, along with a mattress protector and pillow protectors.

Buyer to collect.
