I offer a visiting massage service and will come to where you are, home, work, hotel etc. I've been working as a masseur for many years. I'm now aged 47 - fit, healthy and strong. My clients come from all walks of life and I work on all ages from students to the mature. I use a variety of techniques acquired on my travels, and my main aim is your relaxation, so I offer what feels right for each client. I am not medically trained so book me for leisure not therapy, please! I charge £45 for 60 minutes and £60 for 90 minutes. If you are beyond London Zone 1 I will also charge for my travel. In the first instance, please email me or text. I will then email you all the info of how I work, and we can then choose a suitable date. I am rarely able to do same day, so please give me a bit of notice. I don't answer the phone, as I'm usually working. Finally, some people are nervous if this is a first time. Don't be. I will make sure you are relaxed from the moment I arrive. I'm a warm and gentle person and I love my work. Many of my clients are regulars and each booking is like meeting a good.
