

Vauxhall Vectra 2003 (100 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-394660-z>

its a non runner but that's because its been on the drive way for several months and i never gor round to starting it and now car wont start most likely dead battery - you can either fix it or use as spares all parts are good with no
